2009 HESS Dues / *Earth Sciences History* subscriptions

Your 2009 membership in the History of Earth Sciences Society and subscription for *Earth Sciences History* is now due for renewal. We sincerely thank you for your continued support of HESS.

Notes on online access.

- You may subscribe to the print version, online version, or both.
- The print and online versions are identical.
- Online access is provided through a partnership with MetaPress.
- Online subscriptions include full back-issue access (back to vol. 1) for the duration of your online subscription. If in the future you do not renew your online subscription, you will maintain access, in perpetuity, to the volume(s) for the year(s) your online subscription was valid for. (As an example, if you subscribe to online access for the membership year 2009, but do not renew for 2010, then in 2009 you will have full back-issue access to the journal in addition to the 2009 volume (vol. 28), but in 2010 you will *only* have online access to vol. 28.)

Renewal Rates for calendar year 2009 (volume 28)

Print only	\$80	Online only	\$80	Print & online	\$100
